Bedford City Utilities

Samuel J. Craig, Mayor
Misty D. Adams, Utilities Director

October 20, 2021

Tunnelton Road closure effecting traffic October 25 – 29, 2021 from 8 am until 3 pm daily due to storm water replacement and grading for storm water control

Tunnelton Road will be closed south of White's Point to Highway 50 from October 25th – 29th from the hours of 8am until 3pm daily but Otis Park golf course and Hawthorne Dr. will be open for traffic as normal. The detour route going to Highway 50 from Tunnelton Rd will need to use the detour of South Leatherwood Rd to Rolling Meadows Rd to Leatherwood Rd to get to US 50 and in reverse order coming from Highway 50. Signs will be up for the detour. Residences within the road closure and the postal service have been notified of the detour and if you have City of Bedford trash pickup, it will be as normal. If you are aware of other deliveries to your residence, please contact them to make them aware of the detour beforehand.

If you have questions, please do not hesitate to contact the Utilities office at 812-275-1626 or email madams@bedford.in.us

We apologize for the inconvenience and thank you in advance for your cooperation as we improve the drainage on Tunnelton Road.

Sincerely,

A handwritten signature in cursive script that reads "Misty Adams".

Misty Adams
Utilities Director
